

Six-Pac

T100 Super-Mini Mini/Mid-Size Short-Bed Lightweight Camper

Overall Length (Nose to Ladder)
Overall Width (Jack to Jack)
Overall Height (Floor to Top of Ladder)

150"	Floor Length	80"
81"	Body Width	79"
84"	Average Dry Weight	1170 lbs.

A superb combination of economy and comfort, the **Six-Pac T100S** is the ideal camper for your mini or mid-size short-bed truck.

Complete with a wide array of standard amenities that make this model both exceptionally functional and livable, the T100S retains its lightweight classification, making this a camper you can handle... both on the road and at the fuel pump.

No matter where your adventures take you, you'll be glad you're making the trip in a Six-Pac.
